Homes at The Greens

Welcome to The Greens condominium association. "The Greens" consists of 172 condominiums located along the beautiful Thomson Country Club Golf Course.

When you enter Mid Iron Drive at The Greens, you immediately feel you are home. You leave your cares behind to enjoy a truly great lifestyle that includes 120 spacious townhomes and 52 freestanding homes all with beautiful views of the rolling fairways.

"The Greens" is a secure, golf resort-like community offering an appealing lifestyle. The properties are spaciouly situated assuring privacy and a sense of country living. So appealing is it to live at The Greens that many who live here are not golfers; they simply love the ambiance and the neighborly atmosphere of The Greens.

Residents of The Greens who are also members of the Thomson Club enjoy "living where they play". They also enjoy a 10% discount off their Thomson Club golf membership.

Welcome....

Welcome to the Thomson Country Club in North Reading, Massachusetts. Simply stated, the Thomson Country Club is the best golfing value proposition in the North Suburban Boston Area.

- The 18 hole private golf course is challenging and beautifully maintained.
- It is near major residential areas with easy access from major highways like Routes 1, 95 (128), 114, 62, and 93.
- We play where you live!
- We have a full practice range.
- There is no initiation fee.
- There is no monthly minimum social requirement.

The Thomson Country Club is a private, 18-hole championship golf course designed by famed architect Geoffrey Cornish, designer of more New England golf courses than any other architect. His courses include Nashawtuc in Concord, The International in Bolton, and Wentworth by the Sea in Rye.

Please join us for a great golfing experience, one you are sure to enjoy every year.

...to the New Thomson Club

The Thomson Country Club has had a major make over.

Our pro shop is fully renovated with a new membership lounge area, a new merchandise area, new check-in area, and new restrooms.

We have a brand new website offering information to prospective members and functionality for members such as on-line tee time requests, suggestion box, and membership bulletin board.

Most of all, the Thomson Club has been restructured to provide its members with the most affordable golf experience coupled with all the amenities of private membership at the member's option.

The former clubhouse located across Route 62, now known as *Teresa's at Thomson*, has been sold to the proprietor of Teresa's Eatery in Middleton. Mr. Nick Yebba has fully and spectacularly renovated the entire facility.

Its proximity to the Thomson Club golf course makes *Teresa's at Thomson* an exciting venue for all Thomson Club members - and there is no monthly minimum required for TCC members.

A Welcoming Club

Thomson is a friendly and welcoming club. As a new member, we assure you that you will always get a tee time and be welcomed into the membership at large. Our goal is to ensure that your membership experience is a full and rewarding one and that you and hopefully your friends and family will join us for many years to come.

Great Tournament Program

If competitive golf is your forte, then you will enjoy the Tournament Program which runs from April through November. It includes a wide range of formats such as monthly scrambles, four-ball, quota, and club championships for men and women.

Casual Golf

On the other hand, if you prefer just "playing the game", that option of course is always available to you. Many Thomson members do exactly that. We have a very active couples group who enjoy playing together on weekends and during the week. Whatever your preferred style of play is, Thomson Country Club is for you.

Come on!
Join the fun!

Our Golf Professionals

Our professional staff is here to make you feel at home from your very first day at the Thomson Country Club. If your game needs some rounding out, they are prepared to help you get the most of your golfing experience.

Chris Young, our Head Golf Professional, is a certified PGA Professional in Golf Operations and is certified at the Titleist

Performance Institute. Originally from Melrose, MA, Chris has served as an Assistant Golf Professional at Turtle Bay Resort in Hawaii and Head Golf Professional at Brandon Crossings Golf Club in Oregon.

Kristen McDonald has entered the PGA Professional Golf Management Program.

A graduate of Fairfield University, she was a 3 year Captain of the NCAA Division 1 Ladies Golf Team and won the 2010 Lonnie Barton Invitational Championship and was the 2012 New England Women's Amateur Champion.

Whether your game needs help around the greens or with the long game, our staff is here to help get the most from your game.
